

The Cancer Prevention Research Training Program (CP RTP)

Dr. Shine Chang, Principal Investigator

FACULTY DIRECTORY OF COMMON MENTORS & POTENTIAL MENTORS FOR THE CP RTP (Sorted by Department, Last Name, First Name)

KEY

Faculty in BLUE are within the Division of Cancer Prevention & Population Sciences (DCPPS) and conduct research in cancer PREVENTION.

Faculty OUTSIDE the Division of Cancer Prevention will need to come up with a project in cancer PREVENTION in order to mentor you (Gordon Postdoc applicants must have a project and mentor conducting colorectal cancer prevention).
